CERTIFICATE OF MEMBERSHIP

This is to certify that

KTL Marine Services

is a member in good standing with the Organization Internationale Pour L'Etude Des Cables (OIPEEC).

The International Organisation for the Study of the Endurance of Ropes - OIPEEC - is a non-profit-making association established following a decision of the participants to the International Colloquium on the Fatigue of Ropes (Turin, 7-10 September 1961) who unanimously passed the enclosed proposal, and with the valuable encouragement and help of OITAF and RILEM.
